Leak Detection Solutions

Declaration of Contamination of Vacuum Equipment

The repair and/or service of vacuum equipment or components can only be carried out if a completed Declaration of Contamination has been submitted to Vacuum Instruments Corporation (VIC). This form must be reviewed by qualified personnel before a return authorization number (RMA#) can be issued. Please contact VIC to request additional copies of this form or if you have any questions regarding the contents of this declaration.

- VIC reserves the right to refuse acceptance of vacuum equipment submitted for repair or maintenance work where the declaration has been omitted or has not been fully or correctly completed.
- VIC also reserves the right to refuse servicing any vacuum equipment that could potentially be harmful to the personnel carrying out the repair and service of the equipment.
- VIC will not accept any equipment that has been radioactively or explosively contaminated.
- VIC will not service any equipment that might contaminate its vacuum calibration equipment.

Description of equipment

Equipment type/model:
Serial No:

Reason for return (circle one): ☐ Repair ☐ Maintenance

Please describe symptoms and problems:

Equipment condition

Has the equipment been used? (circle one) ☐ No ☐ Yes

Describe the operating environment the instrument was exposed to:
